Grønnulv, Linnormr of the Great Spruce Forest

Grønnulv, the green wolf of the forest is an ancient linnormr descended from Jörmungandr. It is at once, the forest's greatest protector, and its greatest bane. While it jealously guards its domain from human interlopers, it also known to suddenly and mindlessly rampage through great swaths of of the forest, leaving a trail of splintered timber in its wake.
